

**Get Safety Right, Get Everything Right**  
**10<sup>th</sup> November 2025 | One & Only Royal Mirage**

**Welcome to the Global Maritime Community for Tristar's Seventh Annual  
Safety at Sea Conference**

The Safety at Sea Conference is the forum for direct dialogue between professional mariners and those ashore who facilitate their mental and physical well-being. Apart from the core audience of seafarers, the forum attracts shipping industry leaders from ship owners and managers, healthcare professionals, government authorities, industry regulators, marine insurers, crewing agents, and other experts with a common goal to prevent fatalities and serious injuries, environmental impact and high-cost asset damage.
